Subject: Your Paycheck Protection Program loan application was approved

To: [REDACTED] <[\[REDACTED\]@gmail.com](mailto:[REDACTED]@gmail.com)>**VR CONSULTANTS INC**

Good news, your Small Business Administration (SBA) Paycheck Protection Program loan request was approved for \$27,500.00.

Chase will deposit your loan funds into your oldest Chase Business checking account within three business days.

**IMPORTANT:**

This loan is issued under the SBA Paycheck Protection Program and is **subject to various SBA requirements under law that apply directly to the borrower**. If you have not already done so, you should review and become familiar with all of the program details and requirements that apply to borrowers, including applicable rules and FAQs, provided by the SBA and the U.S. Department of the Treasury found at **SBA.gov and Treasury.gov**.

**Please remember:**

The SBA restricts the use of these loan funds to specified purposes, and at least 75% must be used for payroll costs (as defined by the SBA). **For example, you may not use these loan proceeds to pay mortgage principal or pre-payments, under SBA rules.**

Additionally, the SBA has issued some **guidance for borrowers on if, when, and how they can obtain forgiveness of all or a portion of the loan**.

You should continue to review program details at SBA.gov and Treasury.gov, which may be updated from time to time, including descriptions of eligible uses of loan proceeds and rules concerning forgiveness, as well as the other topics covered.

To make sure you use loan proceeds properly, you may want to review and modify any automatic payments like ACH for the account holding these loan proceeds.

**As noted above, it is the borrower's obligation to understand the SBA's rules.**
